Danny Hussey has joined the Sanibel Public Library staff as IT Director. He oversees the Library’s computer systems, logs, and general technology. Danny attempts not only to provide technology instruction to adults, users, but STEM (Science, Technology, Engineering, and Math) and library programming to children and teens.

Danny’s reading interests range from nonfiction literature including remodeling projects. He is also focusing on meaningful technology change which integrates with “Your Library Reimagined” remodeling project.

Danny’s reading interests range from nonfiction literature including history and biographies. He grew up on a large freshwater lake where he enjoyed boating, skiing, fishing, and sailing. “I love the water and the outdoors,” he also love technology,” he says. In 2005, Danny was nominated as an assistant director of the University of Florida Public Library in Gainesville, Florida. He and his wife, Lindsey, have seven-month-old son, Finn. Danny earned a Master’s degree in Library and Information Science (M.L.I.S) from University of Tennessee Knoxville.

The Sanibel Public Library, a special district, is a public library that owns, governs, and operates the Sanibel Public Library. The Sanibel Public Library Foundation, Inc. was formed in 2005, is a non-profit organization that owns, governs, and operates the Sanibel Public Library.

Meet Sanibel Public Library’s new “SanLibMobile” app. Use it to access the Library catalog, manage your account, place a book on hold, and more.

The app works on smartphones and tablets, including iOS (iPhone, iPod Touch, iPad), Android, Blackberry and Kindle Fire. For Sanibel Public Library cardholders there is no charge to use the app.

Reference Librarian Candy Heise led a team of Library staff in developing the SanLibMobile App. “You can carry the Library anywhere you want it or need it, easily, on your smartphone or tablet,” she says.

“We have noticed several people using the app in the Library stacks: if you don’t see the title you want, you can quickly check to see if it is available in large print, audiobook, or downloadable format,” she adds.

Lisa Mali, Management Librarian for Sanibel Public Library, says, “We are excited to offer this new mobile app to Library patrons!”

“SanLibMobile” is available on the App Store, as well as the Google Play Store. Search “SanLibMobile”.

Use the app to access the Library catalog, manage your account, place a book on hold, and more.

• Search for books, movies, audiobooks.
• BookLook lets you scan an ISBN barcode to find out whether the Library owns the title.
• Find out more about upcoming events.
• Get library hours and phone numbers.
• Renew items.
• Check due dates.
• Cancel holds.
• Search for books, movies, audiobooks, magazine articles, music, and more!
• Place holds.
• Renew items.
• Check due dates.
• Search for books, movies, audiobooks, magazine articles, music, and more!
• Download the Sanibel Public Library app to your phone or tablet.

Sanibel residents and visitors can benefit from the Library’s growth and improvements by providing opportunities and experiences that encourage discovery, inspiration, and enrichment for the mind. The Library provides a variety of programs and services to meet the needs of Sanibel residents and visitors. The Library is committed to providing opportunities and experiences that encourage discovery, inspiration, and enrichment for the mind.

With the app, you can easily:

• ACCESS THE LIBRARY CATALOG.
• Get library hours and phone numbers.
• Search for books, movies, audiobooks, magazine articles, music, and more!
• Place holds.
• Renew items.
• Check due dates.
• Manage your account.
• Download the Sanibel Public Library app to your phone or tablet.
• Search for books, movies, audiobooks, magazine articles, music, and more!

Ms. Danna, this program is for incoming kindergartners and grade one and two students who need reading intervention. Volunteer readers will be available in the children’s program area on Tuesdays at 3 p.m. A reading club, a sibling and parent correspondence program, will be held on Tuesdays at 3 p.m. through the traditional paper version will still be available. The Library’s website, sanlib.org, will be available on the children’s page of the Library’s website in May. The Library’s reading during summer vacation is important to help prevent the loss of reading skills, also known as “summer slide.” Always speak with Ms. Deanna.

Week “Barnstormin’ Storytime” will be held Wednesday at 3 p.m. Storytime encourages the development of pre-reading skills through songs, stories, finger plays, and stories for children ages 0 to 3 years. Pre-kindergarten children are also invited for V.I.P. After-Hours. A book swap, library mini-golf, book dominoes, and games and crafts are just a few of the planned special activities. There will be a special craft to take home in the Library program.

Please call Youth Services Librarian Deanna Evans at (239) 472-2483 ext. 201 for more information.
